WHO WE ARE

Brunel Group was established in 2005 to provide a fully independent broking service to businesses of all sizes within the Professional Indemnity sector. In December 2017 the Group launched Brunel Insurance Brokers Limited to provide clients with insurance services for all Commercial classes with a focus on sophisticated corporate clients requiring a professional and advisory proposition.

The Brunel Group is one of the UK's fastest growing Insurance Brokers. We act for over 6,000 professional clients, employ 75 staff and have offices in Bristol, Manchester, Perth and in London opposite Lloyd's of London, at the heart of the UK insurance industry.

The UK and wider global food and drink industry is enterprising, competitive and complex which presents significant opportunities for a multitude of companies. At the same time, these opportunities present a series of intricate and emerging risks.

At Brunel we take the time to understand your business and work with companies ranging from small family firms to multi-site establishments.
